Tavern on Mount Tamalpais California. Once when we were over at Mill Valley on a picnic someone tried to persuade me that Mt. Tam was [illegible] but I knew better than that.

Jan. 14, '07.

I haven't sent you a postal for a long time. Tamalpais has been covered with snow, and I guess it is yet. Next time you come we'll take the trip up here. Hope you received my letter. Write soon. Am awfully busy, but that keeps me out of mischief.

As ever, Yours,

M. E. C.
